OBJECTIVE

I am a motivated and hardworking individual currently studying Intermediate (First Year). I am eager to learn new skills, gain practical experience, and build my career. I am a quick learner and always ready to take on new challenges.

WORK EXPERIENCE

Fresher

Looking for my first opportunity to learn, gain experience, and contribute to the organization.

SKILLS

- **Web Development:** Basic knowledge of HTML, CSS, JavaScript and modern web development tools. Able to create responsive and user-friendly websites. Eager to learn more and build real-world projects.
- **AI and Data Science:** Foundational understanding of artificial intelligence, machine learning and data analysis. Familiar with Python, data handling, and visualization. Passionate about turning data into meaningful insights and building smart solutions.
